## FOR IMMEDIATE DISTRIBUTION

## 28th ANNUAL GENERAL MEETING OF THE NRBHSS

**Kuujjuaq, June 27, 2022** – The Nunavik Regional Board of Health and Social Services (NRBHSS) will hold their 28<sup>th</sup> annual general meeting in Kuujjuaq on June 28-29, 2022 at Kativik Town Hall.

Annual activity reports will be presented by each department of the NRBHSS, as well as by the two health centres: the Inuulitsivik Health Centre (IHC) and the Ungava Tulattavik Health Centre (UTHC).

The past couple of years prevented the standard procedure of accommodating the AGM due to the pandemic. The recent lifting of measures will now allow for the population to attend the meeting and it will be broadcast live for listening, across the region over TNI Radio (94.1).

"It is reassuring to know and share with everyone that important events such as this are getting back on track. As momentum is gained, we look forward to seeing a safe return to the norm and having all involved be able to focus on their duties in a less cumbersome setting." stated Minnie Grey, Executive Director of the NRBHSS

The Nunavik Regional Board of Health and Social Services is a public agency created in 1978 under the James Bay and Northern Quebec Agreement. It is responsible for nearly the entire Quebec territory located north of the 55<sup>th</sup> parallel in terms of the provision of health and social services for the inhabitants of the 14 communities.
