

# Get vaccinated

If not already done, book an appointment at your CLSC/Nursing Station or go to walk-in clinic that is open every Thursday

# Download the VaxiCode app

Available on App Store & Google Play

For Androids (Google Play), search for "VaxiCode", with quotation marks

Don't have a smart phone? Get your QR proof and print it out here:

<https://covid19.quebec.ca/PreuveVaccinale/en>

Don't have a printer? Go to step 5

# Add your vaccination proof in the app

## Already have a QR code?

Scan it or browse through your pictures if you saved it in your phone

## Don't have a QR code?

Click on "Self-service Vaccination Proof Portal" and follow the instructions

It may take up to 7 days after your second dose before it's accessible in the portal

**4**

**Present your vaccination  
passport**

with an ID with a photo

**and enjoy attending non-  
essential places**

**Don't have photo ID?  
Go to step 6**

5

**Have issues getting your proof?**

Call 1-888-662-7482 and leave a message.  
Someone will call you back to assist you.

If you don't have a printer, they will  
figure out a way to help

# Don't have an ID with a photo?

If you live in or travel to Kuujjuaq, schedule a time to go to Makivik's office to get your beneficiary card with a photo.
