

NON-INSURED HEALTH BENEFITS NUNAVIK

DID YOU KNOW?

As a Nunavik beneficiary, you have access to mental health counseling services without needing a doctor's referral. This service is complementary and covered by the NIHB NUNAVIK.

THREE EASY STEPS:

1.

Find an eligible Professional who meets your needs, and contact them to schedule the first appointment. (You can also contact a professional who does not appear in this list)

2.

Ask the Professional to submit an authorization request to the NIHB NUNAVIK program at ssna.rrsssn@ssss.gouv.qc.ca, including:

- Patient's name and beneficiary number
- Professional's license number
- Session fee
- Number of planned sessions
- Will sessions be in-person or virtual?

3.

The NIHB NUNAVIK program will review the request and provide an authorization letter to the Professional confirming coverage for the service and patient.

IMPORTANT:

- Covered services include individual therapy, couples' therapy, and group therapy.
- If you cannot make your appointment, please cancel it promptly, as the NIHB does not cover late cancellation fees.
- If you need to book airfare and accommodation, please contact us or your local CLSC.
