

Nunavik Elder Safety Day Campaign: United for the Safety and Wellness of Our Elders

Kuujuuaq, June 3, 2025 – The Nunavik Regional Board of Health and Social Services (NRBHSS) is proud to launch the 2025 edition of the **Elder Safety Day Campaign**, reaffirming our shared responsibility to protect, respect, and honour elders across Nunavik. This annual initiative, observed on **June 15**, raises awareness about elder mistreatment while celebrating the essential role of elders in our communities.

This year's campaign brings together a range of tools to inform and mobilize the region including the mass mailing of a **Vinyl Decal Mailing and a 2-week Facebook campaign.**

A Shared Responsibility

Elder mistreatment can take many forms—emotional, financial, physical, or psychological—and it often goes unspoken. Whether you're a family member, a friend, a caregiver, or a neighbour, everyone has a role to play in ensuring elders are treated with the dignity and care they deserve.

Take Action

Let's continue to stand together—to **protect, respect, and honour our elders.**
