

CORONAVIRUS (COVID-19)

Preventive measures to support the health of restaurant and bar employees

PHYSICAL DISTANCING IS A SHARED RESPONSIBILITY

At work, from the time you arrive until you leave

During breaks/lunch

Remind clients of the rules

Avoid direct contact when greeting others; opt for other means

AS ARE HYGIENIC MEASURES

Wash your hands frequently, for 20 seconds

Cough and sneeze in the crook of your elbow

Make sure a hydroalcoholic solution is available to all

Promote electronic payment methods

ADDITIONAL RESPONSIBILITIES OF EMPLOYERS

Plan tasks so as to comply with the 2-metre physical distancing rule

Regularly clean surfaces that are touched frequently

Limit the number of people in an establishment at any given time
