

Progressive Reopening Recommendations to the Population for Bingo Sales in Nunavik 2020

General Guidelines for bingo

- Bingo should occur through the FM, only.
**We would like to remind people that indoor gatherings are still limited to 5 visitors–*
- Nevada Ticket Sales Should Not Occur
- **People should not be able to choose their bingo cards** in order to avoid contact with the sheets. We recommend that the committees randomize the cards.
- Prizes should be delivered to winners in envelopes or through EMT.
**Recommendations on delivery below apply to the delivery of prizes as well.*
- The people involved in the sale of bingo cards or the delivery of prizes should not be doing so if they have symptoms: fever, cough, shortness of breath, diarrhea, head or body aches or fatigue, loss of smell or taste. These people should call the Health-Line at 1-888-662-7482.

Committees can choose to either make bingo card sales outside, or through delivery.

Recommendations regarding outdoor bingo card sales

- We recommend the use of pop-up tents consisting of only a roof (no closed spaces).
- **People should have a distance of 2 metres between them.**
**We recommend that a committee member wearing a mask supervises the line.*
- **People should avoid any type of physical contact**, such as handshaking and hugging.
- An alcohol-based hand sanitizer should be available on site
- People should **designate one person per household** to go purchase the bingo cards

- Recreation committee members should wear masks and wash their hands between each transaction.
- Non-cash payments should be encouraged. Exact cash amounts as well.
- EMT machines, if used, should be sanitized regularly, using alcohol swabs.

Recommendations regarding bingo card sales delivery

- Bingo cards should be delivered to homes by a maximum of 2 recreation committee members.
- **Clients should call ahead to order** the number of cards they would like to purchase, and should have the exact amount of cash for payment upon delivery.
- Recreation committee members should wear masks and stay in the entrance of the home during the delivery.
- Recreation committee members should stay 2 metres apart from the household members at all times
- Committee members should have an alcohol-based hand sanitizer on hand to disinfect their hands before and after each delivery.
- Committee members should have envelopes on hand for the customers to drop the exact cash payments into
- A committee member should be in charge of compiling the money from all the envelopes, at the end.
