Subject: Response to your request for access to documents under section 9 of the Act respecting Access to documents held by public bodies and the Protection of personal information (hereinafter the "Access Act")

Mrs

This is in response to your request for access to documents received by email on May, 7th, by which you request to obtain a copy of all documents containing information about you and would like to know if you are fully vaccinated for measles.

After verification, we are responding unfavorably to your request for access to documents because we are unable to respond to this type of request through information access requests. To find out what information is in your medical file, you must contact the Inuulitsivik Health Center archives. (Art. 47 para. 1 paragraph 4° of the Access Act).

Finally, please find enclosed a copy of the Act respecting Access to documents held by public bodies and the Protection of personal information, containing the above-mentioned sections, as well as the notice of appeal provided for in the Access Act.

Sincerely,

Nicolas Lareau Trudel

Document Access and Privacy Officer
