

NUNAVIK NON-INSURED HEALTH BENEFITS (NIHB- NUNAVIK) PROGRAM

Coverage amounts and reimbursement conditions may vary depending on the type of stay, the medical situation and the eligibility criteria. Certain expenses may not be eligible for reimbursement.

Have you been referred for an appointment in the south by the health center doctor?
Your trip is considered medical/health-related travel.

- Lodging, meals, ground transportation in Montréal (NOT eligible to Ullivik services)
- Plane tickets (can't be booked by the liaison services)

Ideally, it is better to contact us BEFORE paying for a service, so you can have all the information about the maximum amounts covered and your eligibility. Sometimes, we're even able to deal directly with the supplier in order to pay directly.

- Beneficiary number
- Prescription
- Invoice if service is already paid
- Void check

You can always contact us for any inquiry or any question.
