

If you have sex, you should get tested!

IF YOU ARE **at least 14 years old**, YOU CAN DECIDE FOR YOURSELF TO GET

tested FOR STGBI!
It's confidential!

YOU DON'T HAVE TO TELL ANYONE YOU ARE GETTING TESTED.

STGBI
(Sexually Transmitted & Blood Borne Infections)

Get tested!

Get
tested!

**Chlamydia,
Gonorrhea &
Syphilis ARE
ON THE RISE IN
Nunavik!**

**A self-performed
vaginal swab** IS USED TO DETECT
Chlamydia & Gonorrhea IN **women**.

YOU MAY ALSO CHOOSE TO TAKE A **urine test**,
BUT THOSE RESULTS ARE LESS ACCURATE.

A SINGLE **blood test**
TO DETECT **syphilis**, & **HIV**

Urine test TO DETECT
Chlamydia + Gonorrhea
IN **men**.

Prevent yourself FROM THE LONG-TERM
consequences OF **STBI** diseases
LIKE **infertility**.

**Protect yourself
& your community!**
